

Branch Creek® Entry® liquid ice-melt spray starts to work immediately and is safer for use around children and pets. Great for use on porches, steps, driveways, walkways and decks.

✓ Chloride-free ✓ Salt-free ✓ Residue-free

- Starts melting snow on contact
- Creates safer surfaces in as little as 30 seconds
- Eliminates messy granular tracking
- Protects against refreeze and black ice

Made in the USA

SAFER FOR USE AROUND:

- Pets
- Children
- Grass
- Plants
- Waterways
- Concrete
- Metals

What you'll need:

- Sprayer with fan-tip nozzle
- Protective eyewear—glasses or goggles
- 3/4 gal (2.84 L) of Entry® for every 1,000 sq.ft. (93 sq. m.)
- For temperatures below 0°F (-18°C) increase to 1 gal (3.79 L) for every 1,000 sq.ft. (93 sq. m.)

DIRECTIONS FOR USE:

1. Shovel snow and ice from surface, clearing as much as possible.
2. Attach sprayer with fan-tip nozzle and apply Entry® in sweeping motion across surface.
3. Allow 1 to 2 minutes for Entry® to work; repeat if necessary depending on amount of snow or ice. Spot-treat areas with residual snow or ice.
